### Reminders

- Please ensure your child brings their P.E. kit in on Monday and takes it home Friday. P.E. kits should be in school everyday as we may have extra P.E. or change the days of P.E. sessions.
- Please ensure children are wearing black school shoes with plain black/grey/white socks/tights.

### Trainers for P.E. sessions only!

- It seems possible that Summer is here! This makes the classrooms extremely hot and therefore we are happy for the children to have drinks bottles in the classroom. These should be fitted with “no spill” tops and of course should only contain water. Also children may need to start bringing sun protection cream for use during playtimes and games sessions. Hats would also be a good idea.

## Women's Tour of Britain and The Abbey Academy Mascots!

On Wednesday 7<sup>th</sup> June, Daventry Town Centre will become host to the Grand Depart of the OVO energy Women's Tour of Britain 2017. The Abbey CE Academy have been asked to provide 17 team mascots to represent the international teams on stage as they depart at the start of their race.

17 of our students will be chosen by teachers to be mascots at the prestigious event. These students will be selected and notified before half term. The special few will be gifted with a race jersey by the event organisers.

On the morning of the Grand Depart all classes of children and staff will walk from our School to the bottom of High Street in town to wave the Athletes off on their 174km race, and to support our mascots! We have also been offered the opportunity to meet some of the teams and explore the tour buses at the race!

We will then return to school after the teams has set off, for the rest of the school day.

This opportunity has been made possible for the children through Daventry District Council and Northamptonshire sport.

*The 2017 Women's Tour will take place from 7-11 June with 4 Stages around the heart of England before a thrilling climax on the streets of London*
