Water Bottles and Snacks

Could all children please ensure they bring a water bottle to school (which can be refilled during the school day) and a healthy (e.g fruit, crackers, breadsticks etc...) snack to eat during breaktime. Please note nut products, chocolate, crisps etc..... are not allowed.

Parking around the School

It has been brought to our attention, once again this morning that parents are parking inappropriately down Vicar Lane and Friary Close.

As I am sure you are all aware this problem has been an issue for some time and after several recent complaints from the residents of Friary Close the police are now involved and are also looking to bring in a Traffic Warden to issue parking tickets.

May we also ask that parents do not drop off in front of the barrier on Vicar Lane as this obstructs visitors and members of staff gaining access. Unfortunately we can not let parents into the staff car park as this creates a safeguarding risk to the children coming into and leaving school.

I hope this can be resolved by being considerate when parking around the school. The best place is probably Tesco's car park when dropping off and collecting your children. Many thanks for your help with this matter.
